**Contractor Enrollment Form:**

Contractors interested in being considered to participate in the program must complete this form. A list will be compiled and the Program Administrator will inform all eligible contractors of the opportunity to provide price quotes for each project as it arises. The contractor that offers the lowest qualified proposal is awarded the contract to perform the rehabilitation work. In order to be placed on the list, please fill out this form and return it to Carrine Piccolo, Program Administrator. Her office is located at the Hardyston Township Municipal Building, 149 Wheatsworth Road, Hardyston, New Jersey 07419.

This program will be administrated to rehabilitate homes within the Township. The project is funded through a revolving trust fund reserved for granting rehabilitation assistance to low and moderate income families. Each interested contractor will be required to submit a sealed quote for the entire work write-up by the deadline specified on each project's proposal package. The work specifications are done in a general contractor format. A contract, prepared by the municipality, will be entered into between the homeowner and the contractor for all of the services outlined in the work write-up.

Once the work has been satisfactorily completed, a check will be released from the municipality to the contractor for services rendered in accordance with the signed contract between the parties. Payment is made directly to the contractor from the municipality. Efforts are made to insure that a check is available for payment immediately upon the satisfactory completion of the work.
