Dear Resident,

On behalf of the Hardyston Township Council, I am pleased to introduce to you the Instant Alert System by Honeywell. Keeping residents informed and involved helps to assure safety and improve community success. With today's on-the-go lifestyles, it can be more difficult for townships to reach residents quickly and effectively. This is why our town has decided to implement a new system called Honeywell Instant Alert[®] Plus.

Instant Alert Plus is an essential tool for notification and communication. Within minutes of an emergency, town officials can use Instant Alert to deliver a single, clear message to the residents by telephone, cell phone, e-mail, pager or PDA in any combination. Instant Alert can also be used to notify you of recycling schedule changes, road closings and delays due to inclement weather and other important Township matters.

Instant Alert is Internet based, allowing each resident to maintain a secure, password protected online profile. Included in this letter is an instruction sheet for accessing the system and creating your profile. You can log into your profile at any time to update your contact information. Maintaining the accuracy of your profile will increase the ability of the town to keep you informed.

If you do not have internet access or own a computer but wish to register please call townhall and contact Arlene Fleming at extension 9441. Be sure to have the phone number you wish to be contacted on as well as the information listed on the help sheet enclosed.

The system is ready for you to use at <http://www.envoyprofiles.com/HARDYSTON>. We encourage all of you to take advantage of this opportunity, as we will be utilizing this system for town-to-home communication. If you need assistance with your profile, please click on the **Customer Service** link on the lower right hand side of the page, or email us at instantalert@hardyston.com

Be sure to set your e-mail spam filter to receive e-mail from Honeywell.com.

We hope you enjoy this new service!

Sincerely,

Marianne Smith
