BUDGET MESSAGE

Preparation of the 2012-2013 Budget has been done in accordance with the procedures set forth by the Division of Local Government Services and the Authority feels that all requirements have been met.

1. Complete a brief statement on the 2012 proposed Annual Budget and make comparison to the current year's adopted budget. Explain significant increases or decreases, if any.

The Authority's sewer budget appropriations increased \$13,047.

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any.

The service charges will increase as a result of this years budget from \$548 to \$564 per annum, an increase of 2.92%.

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

The local economy is moving at a very slow pace and the customer base of the Authority is not expected to increase significantly.

4. Describe the reasons for utilizing Unreserved Retained Earnings in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc.

Unreserved Retained earnings utilized in the amount of \$176,966 in the sewer budget was to stabilize the rate for the upcoming year in a weak economy.

5. If the proposed Annual Budget contains an Accumulated Deficit either existing or anticipated, pursuant to N.J.S. 40A:5A-12, then an explanation as to reasons for occurrence must be disclosed.
