VOLUNTEERS NEEDED

SWIFT 911 COMMUNICATION SYSTEM

Hardyston uses the Swift 911 Notification System for both emergency and non-emergency community alerts. This notification system has the ability to alert residents in conjunction with major events such as a hurricane, flood, or any other emergency event or disaster where it would be found to be necessary and/or useful.

SwiftReach is comprised predominately of landline phone numbers. However, additional information can be added, including e-mail addresses for e-mail notifications and cellular phone numbers for text messages during emergency events. We encourage residents to provide this additional information by going to the Township's website at www.hardyston.com and clicking on the Hardyston Swift911 button to register and add additional contact information. For residents who do not have access to internet services, a form can be filled out. Call the office at 973-823-7020 and press "0" for the receptionist and a form will be mailed to you.

EMERGENCY MEDICAL SERVICES – Emergency medical and ambulatory services are now provided 24/7 by St. Claire's Hospital. St. Claire's stations an ambulance and certified staff at the Littell Community Center in order to provide essential emergency services to Hardyston residents.

HARDYSTON COMMUNITY DEVELOPMENT

COMMUNITY GARDEN MISSION:

The mission of the Hardyston Community & Charity Garden is to promote healthy lifestyles, foster community spirit, provide educational opportunities for school aged children, and help address the need for fresh, healthy food in our local food banks.

HARDYSTON COMMUNITY GARDEN

The Hardyston Community Garden opened in May 2012 and is entering its sixth season. More than a dozen families have rented individual plots to plant and harvest their own fruits and vegetables. The charity garden provides fresh produce to the Samaritan Inn operated by Partnership for Social Services - Catholic Charities. The garden was made possible by a \$10,000 Sustainable Jersey Small Grant from Wal-Mart and the generous donations and volunteers from our sponsors Pass it Along, Partnership for Social Services – Catholic Charities, Lake Gerard LLC and Fair Acres Farms.

2017 SEASON REGISTRATION

Registration for plots will open March 6th
Additional information can be obtained from the Township website or by contacting (973) 823-7020.

SENIOR CITIZEN PROPERTY TAX DEDUCTION

Annual post tax year income statements are due to the Tax Collector by March 1st

HARDYSTON YOUTH RECREATION PROGRAMS

Hardyston/Hamburg Cub Scout Pack 298 –

We provide a quality program for cub scouts while teaching teamwork, morals & values that they will carry with them for a lifetime. Serves boys grades K-5.

Check them out on Facebook –

www.facebook.com/hardystonhamburg.cubscouts or contact cubpack298@gmail.com

Girls on the Run (GOTR) - Open to girls in grades 3-5, meeting twice a week in small teams of 8-15 girls, it teaches life skills through conversation-based lessons and running games. The 24-lesson curriculum is taught by certified Girls on the Run coaches. Running is used to inspire and motivate girls, encourage lifelong health and fitness, and build confidence through accomplishment. At each season's conclusion, the girls and their running buddies, complete a 5k running event.

For more information visit <http://gotrnnj.org> or email bwestra@hardyston.com

The Outreach Program for Soccer (TOPS Soccer) -

This is a joint program with Wallkill Valley Recreation Soccer and the Littell Community Center. For more information visit

www.youthsoccer.org/programs/TOPSoccer/

Contact: David Van Ginneken: info@wvrecsoccer.org or Becky Westra: bwestra@hardyston.com

The Categories are as follows:

Miss Hardyston – Ages 17-21

Teen Miss – Ages 13-16

Jr. Miss Hardyston – Ages 8-12

Little Miss Hardyston – Ages 4-7

Little Mister Hardyston – Ages 4-7

Completed applications are available at the Municipal Building, the Littell Community Center, and www.hardyston.com.

Applications must be received by May 22, 2017

HARDYSTON RECREATION/SUSSEX COUNTY YMCA FIT-TRAIL

The Hardyston Township Recreation Complex Walking path now includes a 10 station Fit-Trail outdoor exercise system.

The system can be completed at your own pace and is designed for both the novice and the conditioned athlete.

The exercises help improve flexibility, promote cardiovascular conditioning and promote muscle strength and endurance. The Fit-Trail system was made possible by our partnership with the Sussex County YMCA and a healthy communities grant funded by the ShapingNJ Initiative.

CHECK OUT THE FIT-TRAIL TODAY!

HARDYSTON LAND USE & HISTORIC PRESERVATION

Pictured Above: After the Revolutionary War, residents of Hardyston asked the Sparta Presbyterian Church for a congregation closer to home. This became known as the “north church.” The building sat at the corner of what is now North Church Road and Route 94, and the cemetery is on the ridge above the church. This photo is of the second North Church, built in the 1850s, after a fire destroyed the first. Today, the Hardyston Department of Public is located at the site.

Planning Board

Secretary – Anne-Marie Wilhelm 973-823-7020
Meeting: 4th Thursday of each month at 7:00 p.m.

Zoning Board

Secretary – Anne-Marie 973-823-7020
Meeting: 1st Thursday of each month at 7:00 p.m.

Hardyston Heritage Society

President – Jim Wright 973-697-7771

HARDYSTON HERITAGE SOCIETY

The Hardyston Heritage Society operates the Old Monroe Stone Schoolhouse as a historical museum. The schoolhouse is located at 410-412 Route 94, in the Monroe section of Hardyston Township. For information or to schedule a tour please email Jim Wright at hardystonheritage1762@gmail.com

For more information on the Heritage Society, becoming a volunteer, or to make a donation please visit their website at <http://www.hardystonheritage.org>

MARRIAGE LICENSES

Please contact the Municipal Clerk at (973) 823-7020 for information regarding marriage license applications and certified copies.

HARDYSTON ECONOMIC DEVELOPMENT COMMISSION

Pictured - Level 10 Performance Transmission Systems & Superchargers. Level 10 is located at 3670 Route 94 in Hardyston. Level 10 has been in operation for 45 years. This facility encompasses a complete state-of-the-art transmission overhaul shop; multiple installation bays; shipping, receiving, and warehousing; research and development; and the corporate offices. Many people bring their vehicles directly to Level 10 Products when transmission service, overhaul, or upgrading is required.

***Mission Statement** – The Economic Development Commission believes economic growth and prosperity can be achieved through precise planning and cooperation among all participants, while preserving the quality and integrity of Hardyston’s diverse character. The Commission’s intention is to preserve and enhance the quality of life of residents and to foster and maintain a business-friendly environment.*

HARDYSTON PROPERTY TAX INFORMATION

Quarterly property taxes are due on the following dates: 2/1, 5/1, 8/1 & 11/1. There is a 10 day grace period. Interest charges will accrue for payments received after the grace period. 2017 Estimated Tax Bills are Mailed Out in July.

Please contact the tax collector’s office at the Hardyston Municipal Building at (973) 823-7020 with any questions or concerns.

Solutions to Stormwater Pollution

Easy Things You Can Do Every Day To Protect Our Water

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

■ If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

Keep pollution out of storm drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

Clean up after your pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Don't litter

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.
